TOEIC® Listening and Reading

The Technical University of Liberec provides the opportunity to take exams in the English language and obtain the international certificate TOEIC® (Test of English for International Communication).

What is TOEIC® Listening and Reading?

The TOEIC® Listening and Reading test is a valid assessment of English language reading and listening skills for the workplace. Employers worldwide use the TOEIC® test to determine who can communicate effectively in English across borders and cultures with coworkers and clients.

The TOEIC® scores reflect the ability to communicate in different business areas when performing general every day working activities. The score ranges from 10 to 990 points and is comparable to the Common European Framework of Reference evaluating language skills in the range from A1 to C1.

TOEIC® Exam:

- is the most popular assessment of workplace English in the world
- can make you a stronger candidate for job opportunities with global organizations
- demonstrate your ability to communicate across borders and cultures with coworkers and clients
- is the equivalent of passing the exam or credit at Czech and foreign universities
- is recognized by the Ministry of Education, Youth and Sports (MEYS, MŠMT in Czech)
